

## Carbon Levy – Alberta: Effective January 2017

Dear Customer:

As of January 1, 2017, the Government of Alberta will be introducing a **new carbon levy** as part of its Climate Leadership Plan. As part of this plan, a carbon levy will be included in the price of all fuels that emit greenhouse gases when combusted. The carbon levy on major fuels, as indicated in the Government of Alberta's 2016-19 Fiscal Plan, is as follows:

### Carbon Levy Rates, by Type of Fuel
